

*Eyewitness 2: Window to the Heart....*  
and universal language of life and love.  
Shari Richard/ [Sound Wave Images/Unborn.com](http://SoundWaveImages.com)

1. Recent gallop poles shows that Americans who identify themselves as pro-lifers are in the majority. What do you believe contributed to this pro life shift?
2. You have a personal story that you tell about the heartbreak of abortion. How did this affect your life?
3. What is the mission of Sound Wave Images?
4. Since your first *Window to the Womb* video, what has been some of the response from around the world?
5. What has been the impact of your ultrasound videos in the schools?
6. The New release of “**Eyewitness 2: The Window to the Heart**” is a 5 minute version that is suitable for all languages. Tell us about this version? How can others help to circulate this message through social media.
7. In 1990 you testified on the first "Freedom of Choice Bill" in Congress. What was their reaction to the ultrasound?
8. You pioneered and established the first medical ultrasound clinic and training manual in Michigan in 1995. How has this movement impacted other Centers across the nation and how are you still a part of this movement?
9. What is the % of reductions of abortions by using ultrasound to provide informed consent and determine viability?
10. Since the Roe v Wade decision in 1973, over 55 million women have had abortions. What are the long term physical and emotional effects?
11. How did Ian Donald’s, the pioneer of clinical ultrasound, influence your work?
12. Explain the advances in the technology of ultrasound.
13. What would you say to someone that is hurting from abortion?
14. Can you tell us what the impact has been from women openly sharing their stories of their own grief from abortion that you document in your DVD’s?
15. How can others make a difference in influencing public opinion about abortion?

## Biographical Sketch

Shari Richard, is an Obstetrical Ultrasound Expert and Educator founded **Sound Wave Images** in 1990 through which she produced the video **Ultrasound: “A Window to the Womb”** Her ultrasound images have educated millions with over 750,000 distributed, broadcast and translated “worldwide”. Shari continues to produce “The Next Generation” videos using the new digital technology. The NEW release of “***Eyewitness 2: The Window to the Heart***” is a 5 minute loop and suitable for all languages. Shari’s goal is to circulate this message through social media and let the ultrasound images speak for themselves. She states, “***The eyewitness of ultrasound is the window to the heart and speaks the universal language to the soul.***” Shari, who personally experienced the grief and pain of abortion, continues her work educating, speaking and ultrasound training for the medical staff of Pregnancy Centers. Her mission is to continue to bring healing and hope and to change hearts to recognize the hidden and inherent beauty of every life. Richard lives in West Bloomfield, Michigan and has 3 sons.
