

# Sound Wave Images

*Leading the Way with UltraSound*

**Take the "Window to the Womb" wherever you go!**

*Affordable & Portable Ultrasounds for Your Pregnancy Center.*

In 1990, Shari Richard, RDMS, led the way through pioneering the first medical ultrasound trainings for Pregnancy Centers. Through Sound Wave Images, Shari is now combining her ultrasound experience with affordable, technically advanced ultrasound systems.

Now Pregnancy Centers will save 30% to 50% in the cost of ultrasound systems and training.

## **Presentations & Services:**

# Eyewitness 2:

THE WINDOW TO THE HEART

**NEW**  
**5** minute  
abridged  
version  
Subtitled in  
English, Spanish  
and suitable for  
all languages.

Shari Richard, RDMS  
Founder of SWI

**"The eyewitness of ultrasound is the window to the heart and speaks the universal language to the soul."**

—Shari Richard, RDMS, Founder of Sound Wave Images

## Eyewitness 2: The Window to the Heart

Many have viewed **"Eyewitness & Window to the Womb 2 The Next Generation"** DVD where Sonographer, Shari Richard shares in the interaction of the students as they travel the fascinating journey in the womb.

Now... this **NEW** release of **"Eyewitness 2: The Window to the Heart"** is available in English, Spanish and suitable for all languages. The DVD contains soothing background music with fascinating visuals and descriptive subtitles which provides an overview of key features of human development. Ultrasound speaks the universal language of life and will entertain and delight viewers as they witness life in the womb with cutting edge digital technology and music videos.

See the heart beating at 21 days and the babies jumping, swallowing, yawning and more... Separate chapters allow viewers to select specialized presentations to accommodate your audience and time. Perfect for all languages, Pregnancy Care Centers, fairs, seminars, banquets and waiting rooms.

**Chapter 1: Abridged 5 minute English Subtitle Version:** (5 minute & loops for 1 hour)

**Chapter 2: Abridged Spanish Subtitle Version:** (12 minutes)

**Chapter 3: Class Room with Live Voice Version:** (12 minute)

**Chapter 4 and 5: Precious Life Music Video in English and Spanish:** (5 minutes)

**Chapter 6: The Journey of Sound Wave Images:** (2-4 minute promos of SWI)

### What they are saying

*"I use Shari's ultrasound DVD's in schools around the world. The reactions are incredible! The images speaks to the heart of every culture that life is a gift."*

— Kay Painter, Author

*"Shari's ultrasound images are the best I have seen and will change the course of history as she displays the hidden life and development in the womb."*

— Alexander F. Metherell, M.D., Ph.D

### Christian and Pro-life Version

#### Window to the Womb 2: The Next Generation

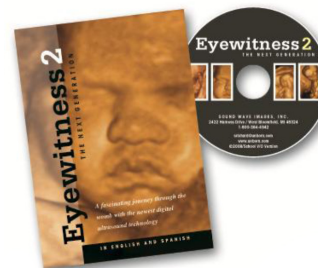

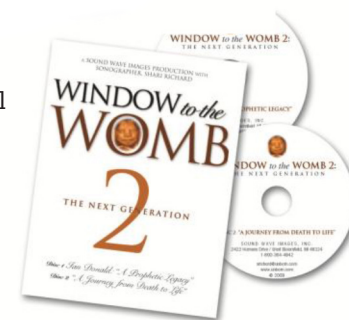

*Disc 1: Ian Donald "A Prophetic Legacy"*

A documentary of Ian Donald, the pioneer of clinical ultrasound and the legacy he has left behind. Shari will take you through the 50 year battle over abortion. (50 min.)

The History • The Lie • The Cover Up • Search to Destroy • The Victims • Is this Choice?

*Disc 2: "A Journey From Death to Life"*

Hear the voices of men and women who are breaking the silence as they share their personal stories of the tragic grief and pain of abortion. (Full version: 50 min. • Abridged version 28 min.)

### Public Schools, Medical & Secular Version Eyewitness 2: The Next Generation

**"A picture is worth a thousand words,"** especially if they are the next generation of 3D and 4D ultrasound imaging. Shari will take you on a fascinating journey through all 38 weeks of pregnancy, seeing the mirror image of the babies. English and Spanish versions 20 min.

### Pregnancy Care & Counseling Version

#### Eyewitness & Window to the Womb 2: The Next Generation

This version will allow PCC's and counselors to provide the facts about fetal development, abortion complications, post abortion syndrome and healing. Separate chapters ranging from 5-15 minutes will allow for specialized presentations to accommodate the needs and time constraints of their session. Now used in PCC's across the nation in the **"Earn While You Learn Program."**
