Register Now - Class Size is Limited

For nurses who have completed and received a previous didactic and hands-on ultrasound training, SWI/Unborn.com is now offering quarterly refresher courses in Las Vegas, NV at First Choice Pregnancy Services (FCPS).

As a new or experienced sonographer it is important to keep your skills up-to-date and reviewed by a qualified RDMS. The art of scanning requires cultivation and time to be perfected AWHONN and SDMS require that one stays competent in their area of practice through continuing education. This 3-Day course is designed to improve image optimization, interpretation and scanning skills. The staff and associates are licensed skilled sonographers, medical professionals and educators trained in the Pregnancy Center setting. The course is compliant with the AWHONN, AGOG, SDMS, AIUM guidelines and recommended by the National Pregnancy Organizations of Care Net and Heartbeat. For more information on our 25 year history go to UNBORN.COM.

Program Overview

- 20 hours of hands-on and didactic instruction by skilled Registered Sonographers (RDMS)
- Class kept small and limited to 4 students per system to assure plenty of one-on-one scan time.
- Class A & B combined on Wednesday morning for didactic review of abnormal cases and open discussion for questions and concerns.
- Class A & B combined Wednesday afternoon for discussion and ideas of educating and ministering to the client. There will be time for encouragement, fellowship, prayer and worship. Class A can dismiss from afternoon as needed for travel and commitments.
- Each student is given a competency exam and review at the conclusion of the training to assess the individuals knowledge and scanning skills.
- Each student will receive a Certificate of Completion of the Course.
- Sonographers available for ongoing support and review of scans.
- Any RDMS who desires to work with a center or nurse can attend any part of the training at no cost, but will need to register. Instructions for PCC's protocol and instruction will be provided to the RDMS.
- CEU's are pending approval for future courses. Each student will be provided with free access to future on-line courses at the time the CEU's are approved.

About First Choice Pregnancy Services (FCPS)

"We opened mid December 2004. Due to our strategic location, next to a late term abortion center we serve a high number of clients – including abortion bound clients. Averaging 8-15 scans per day, First Choice is a great place to refresh your all-around ultrasound skills! Trainings are staffed with 4 RDMS's as well as additional qualified personnel. We are humbled and excited to report that, in just 14 years, God has used First Choice for the saving of more than 30,000 babies! We are honored to serve you as you hone and refresh your professional skills!"

~ Pam Caylor, Executive Director

Location of Training:

860 E. Sahara Ave., Las Vegas, NV 89104 (702) 294-2273 www.firstchoicelv.com

Cost of Training:

3 Day Ultrasound Refresher Course: \$449 pp if registered 15 days prior to training date of your choice. After this date registration increases to \$499 pp.* Class size is limited to 15 students to assure plenty of one on one scan time. All RDMS's are FREE but need to register and can attend any part of the training. For MC/Visa or Pay Pal payments click [HERE](#). All checks make payable to Unborn.com and mailed to 2422 Harness Drive, West Bloomfield, MI 48324.

*The cancellation fee after booking is 30% of the registration fee. This fee can be used to reschedule training for future dates.
