Class B: Oct. 14 - 16, 2020

Class C: Oct. 12 - 16, 2020

Register Now - Class Size is Limited

Due to the increase number of ultrasound systems and Registered Sonographers that are available at FCPS we are now adding training for nurses with no experience in ultrasound.

New nurses can choose to attend Class A or B: 3-Day Course or Class C: 5-Day Course.

As a new or experienced sonographer it is important to keep your skills updated and reviewed by a qualified RDMS. The art of scanning requires cultivation and time to be perfected AWHONN and SDMS require that one stays competent in their area of practice through continuing education. The 3-Day Refresher Course is designed to improve image optimization, interpretation and scanning skills. For new nurses an additional 50-75 scans will be needed and verified by an RDMS until competency is completed and certified. Our staff can provide additional on-site supervised scanning instructions or your nurses can return to FCPC. (For new nurses contact Shari for the program and schedule.) The staff and associates are licensed skilled sonographers, medical professionals and educators trained in the Pregnancy Center setting. The course is compliant with the AWHONN, AGOG, SDMS, AIUM guidelines and recommended by the National Pregnancy Organizations of Care Net and Heartbeat. For more information on our 25 year history go to UNBORN.COM.

Program Overview

- 20 hours of hands-on and didactic instruction by skilled Registered Sonographers (RDMS)
- Class kept small and limited to 4 students per system to assure plenty of one-on-one scan time.
- Class A & B combined on Wednesday morning for didactic review of abnormal cases and open discussion for questions and concerns.
- Class A & B combined Wednesday afternoon for discussion and ideas of educating and ministering to the client. There will be time for encouragement, fellowship, prayer and worship. Class A can dismiss from afternoon as needed for travel and commitments.
- Each student is given a competency exam and review at the conclusion of the training to assess the individuals knowledge and scanning skills.
- Each student will receive a Certificate of Completion of the Course.
- Sonographers available for ongoing support and review of scans.
- Any RDMS who desires to work with a center or nurse can attend any part of the training at no cost, but will need to register. Instructions for PCC's protocol and instruction will be provided to the RDMS.
- CEU's are pending approval for future courses. Each student will be provided with free access to future on-line courses at the time the CEU's are approved.

Course Topics

- Review of Anatomy and Landmarks
- Image Optimization & System Instrumentation
- Transducer Orientation and Manipulation

RN, BSN, Nurse
Sonographer at First
Choice Pregnancy
Services

Pam Caylor,
Executive Director
of First Choice
Pregnancy Services

General Information: Las Vegas, NV at First Choice Pregnancy Services

About First Choice Pregnancy Services (FCPS)

"We opened mid December 2004. Due to our strategic location, next to a late term abortion center we serve a high number of clients – including abortion bound clients. Averaging 8-15 scans per day, First Choice is a great place to refresh your all-around ultrasound skills! Trainings are staffed with 4 RDMS's as well as additional qualified personnel. We are humbled and excited to report that, in just 14 years, God has used First Choice for the saving of more than 30,000 babies! We are honored to serve you as you hone and refresh your professional skills!"

~ Pam Caylor, Executive Director

Location of Training:

860 E. Sahara Ave., Las Vegas, NV 89104 (702) 294-2273 www.firstchoicelv.com

Cost of Training:

3 Day Ultrasound Refresher Course: 3 Day Course: \$449 pp, 5 Day Course: \$799 pp. Class size is limited to 15 students to assure plenty of one on one scan time. All RDMS's are FREE but need to register and can attend any part of the training. For MC/Visa or Pay Pal payments click [HERE](#). All checks make payable to Unborn.com and mailed to 2422 Harness Drive, West Bloomfield, MI 48324.

*The cancellation fee after booking is 30% of the registration fee. This fee can be used to reschedule training for future dates.

Accommodations: Due to a large convention the week of January 6th, 2020 training there is limited vacancy in the area. We therefore have reserved a spacious time share villa at the Westgate Flamingo Bay Resort located at 5625 W. Flamingo Road Las Vegas, NV 89103 1-800-611-2863. wgflamingobay.com

The villa is non gaming, sleeps 6 and is equipped with 2 bathrooms, full kitchen, living room and free shuttles to the area and FCPC. It is located just a few miles from the center and the airport. Shari will also be providing transportation for those staying at this location so you won't need to rent a car. The price is \$405.00 a night plus tax for the villa which would be between \$85.00 -

\$150.00 pp per night depending how many decide to stay. If you do not wish to rent a car and are interested in sharing transportation and accommodations please indicate on the registration form and call Shari at 248-496-2183.

Airport: McCarran International Airport is approximately 3.5 miles from First Choice Pregnancy Services, and Flamingo Bay Resort.

Transportation: Lax Express provides shuttles to and from the airport. One way ticket is \$12.00 or 2 way \$24.00. Call 702-878-4141.

Course Times:

Class A: Monday – Wednesday 9 AM - 5 PM

Class B: Wednesday - Friday 9 AM - 5 PM

Class C: Monday - Friday 9 AM - 5 PM

(On Wednesday and Friday students can leave any time after 3 PM if needed to catch flights. Please let instructor know at time of training.)

Meals: Lunch, morning and afternoon snacks are provided. Dinners are on your own.

“The eyewitness of ultrasound is the window to the heart and speaks the universal language to the souls.”

—Shari Richard, RDMS

For over 25 years, through UNBORN.COM, Shari continues to produce educational video clips for social media and DVD's on fetal development using ultrasound and documentaries that exposes the history, deception and complications of abortion. Visit Unborn.com and YouTube.com/sharirichard

What are They Saying?

When asked what was your perception of the training, participants responded:

“The Absolute Best!” “Shari and Robin were both patient and made learning fun.” “Following the refresher course, I personally felt that my knowledge base has increased and I am more aware of the techniques needed to obtain quality images.” “Nice Power Point presentation with live videos embedded!” “Lots of hands-on instruction with models.” “Encouraging and knowledgeable instructors with lots of patience.” “Loved the variety of teaching methods!” “Loved Shari’s personal testimony and compassion for the ministry.” “The training materials such as the DVDs, manual, Power Point and YouTube videos allow for ongoing education and reference material.” “The ongoing support from the instructors is so need and appreciated.” “Shari and Robin show amazing excitement and enthusiasm for teaching ultrasound combined with extraordinary compassion.” “The prayer and fellowship has encouraged and revived God’s purpose in my life.”
